---

---

---

---

---

---

---

---

---

---

Quali sono i fattori "locali" del sito che condizionano l'edificio?

---

---

---

---

---

---

---

---

---

---

---

---

---

Come la vegetazione può influire sull'edificio e quali sono gli accorgimenti da adottare?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Come si misura la sicurezza allo scivolamento delle pavimentazioni

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Cosa si intende per indice del giorno?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Quali sono le principali macchine dell'industria olearia?

---

---

---

---

---
